For some, arriving by motorcycle is also a good option. The football club has FREE parking facilities at the stadium for those who cycle. This can be found alongside the Kingsland Stand that is situated at the rear of the stadium.

Please note that if you are traveling by motorcycle you should enter via the stadium's North Car Park and liaise with security on entry. If arriving by motorcycle, please do so no later than 1 hour prior to kick-off due to closures. These closures will remain in place until approximately 20-minutes after the final whistle.
